BILATERAL PARTNERSHIP AGREEMENT

We, the undersigned, confirm that UNIVERSIDAD NACIONAL del CENTRO Pío BA and **Pirkanmaa Polytechnic** agree to start bilateral student exchange. The number of student flows is not preconditioned and the mobility of each individual student will be discussed separately. Both institutions agree to the following terms within the framework of which the student exchange will be executed.

We confirm that no eligible incoming students moving within the framework of this agreement will be charged tuition fees and that all outgoing students will be given full academic recognition for work successfully completed during their study period abroad. The exchange student will remain in the student register of the sending institution during the exchange. The student will fund his/her travels and stay personally and neither the receiving nor the sending institution will be liable for any costs the student exchange causes directly or indirectly. All incoming students must have liability and legal expenses insurance and they must bring documentation (signed by a representative of the insurance company) to prove the aforementioned.

We also confirm that we are authorized to endorse this agreement on behalf of our institution.
